SPECIFICATIONS

Overview

Oyster 62 Deck Saloon model with twin-wheel arrangement, exquisite four-stateroom layout and many upgrades.

The Oyster 62 ENCORE is a quality semi-custom yacht design by Rob Humphreys and the Oyster Design Group. She is Hull #7, built in 2002, with exquisite maple interior joinery, and has been professionally maintained since new.

Her hydraulic in-mast and genoa furling and electric winches facilitate shorthanded cruising. The split cockpit with two wheels offers a spacious lounging area with center table and two raised-wheel consoles.

Manufacturer: Perkins

Model: 165.5 kW Sabre M225TI

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

INTRODUCTION

ENCORE is a well-cared-for Oyster 62 featuring a four-cabin maple joinery interior capable of sleeping nine owners and guests.

Continually upgraded over the years -- most recently with a significant 2017-2018 refit -- ENCORE not only looks great, but is "ready to go" for many seasons of sailing, with all new standing rigging, new teak decks, newly painted spars and more.

2017 2018 Refit Highlights:

- The teak decks were removed and replaced with new from Teak Decking Systems
- All deck hardware was removed, polished and re-bedded
- Topsides and coach roof were compounded and polished
- The mast, boom and spreaders were stripped and repainted with Awlgrip
- All standing Dyform wire rigging was replaced
- Inner forestay replaced
- Hydraulic backstay cylinders rebuilt
- Older hydraulic mainsail control hoses replaced
- Genoa sheets replaced
- Reckmann furlers were serviced
- Major engine service
- Generator removed from boat and major service performed
- Bottom sanded and re-antifouled
- AB RIB and outboard
- Bimini and dodger canvas replaced
- New Quantum mainsail and genoa
- New Raymarine plotters and displays

INTERIOR ACCOMMODATIONS

Very well-maintained four-stateroom interior arrangement with large master aft, two forward guest cabins and midship guest/crew cabin. The maple joinery interior features a teak cabin sole. Spacious midship raised-deck saloon with starboard settee, two swivel arm chairs and navigation center to port. Passageway-style galley also to port. Sail locker forward, with lockers with watertight door.

- (9) berths in (4) cabins
- Essential features include sculpted fiddles and grabrails, 'shadow-gap' joints between panels, and Oyster custom knobs for lockers and drawers
- Surfaces in galley and heads are Avonite

- Upholstery – Alcantara ‘Tan‘
- Curtains/blind systems to all cabins
- Oceanair "skyscreens" to all deck hatches
- Flyscreens to all opening hull and coachroof ports
- Carframo fans - all cabins

Interior Upgrades

- Customized port forward guest cabin redesigned to allow lower berth to be converted to double berth (2012)
- New Ultrasuede upholstery (2018)
- New main saloon curtains
- New washer/dryer Bosch Excel combo
- Refinished cabin sole (2018)
- Opening ports windows replaced (2018)

SALOON

Large oval settee to starboard with dining table, and two swiveling arm chairs with peninsula between to port. Many lockers, bookshelves and additional stowage outboard and under settees. HP Envy 120 wireless printer under table. CD stowage in top compartment of small peninsula unit between port side saloon seats. Bosch Excel washer/dryer installed in purpose-built cupboard to starboard, with DC electrical panel above.

STARBOARD FWD CABIN

Double Pullman berth with hanging locker and cupboard, additional drawer, cupboards and locker. Direct access to en-suite head (PAR Quiet Flush freshwater toilet, 2018) with separate stall shower. Watertight door through forward shower bulkhead to sail locker/fo'c'sle with fold-up pipe berths and storage lockers.

PORT GUEST CABIN

Customized to provide single upper berth and convertible double berth. When lower berth filler is in place, there is a double lower berth and single upper berth. Lower forward locker was raised. Additional storage includes small dresser with (3) drawers, forward. Aft entry door from port guest cabin into passageway.

Behind the forward cabin in the passageway is a second entry door to the forward port head (PAR Quiet Flush freshwater toilet, 2018) with separate stall shower. Head includes vanity, wash basin, and storage locker. This head is also used as a day head.

MIDSHIP GUEST/CREW CABIN

The third guest cabin is located opposite the galley, aft of the chart table on the starboard side. Upper and lower berths, hanging locker and vanity with mirror. Good access to the inboard engine room doors.

OWNERS STATEROOM

Large double berth offset to port, dressing table with seat mirror and light, large hanging locker and abundant drawer, locker and shelf space.

- Teak tread and stainless staircase to companionway to aft deck
- Victoria Marine batten system beneath double berth (improves ventilation)
- Large en-suite head with separate stall shower
- PAR Quiet Flush freshwater toilet (2018) and wash basin

ENTERTAINMENT

West Marine WM 400 Bluetooth outlets, USB, and iPod jack and iPod docking station fitted inside cupboard at navigation area. Additional similar system fitted in aft cabin to port side of headboard. Waterproof speakers in cockpit.

NAVIGATION CENTER

Navigation center to port at the forward end of the saloon. Admiralty-sized chart table with lift top and storage under. Large custom-designed instrument console includes flush-mounted AC electrical panel.

GALLEY

Impressive passageway galley with large front-opening refrigerator and top-opening freezer.

- (2) New Sea Frost (air or water-cooled) refrigerator units (2015)
- Freezer updated (2014)
- Cockpit refrigerator updated (2015)
- Gimballed Force 10 stainless steel oven with four-burner stove (2018)
- Microwave oven (2018)
- Ice machine U-Line SP18 in cupboard aft of sink area

ELECTRONICS

Nav Area

- Raymarine plotter (2018)
- Raymarine radar (2018)
- Raymarine AIS transmitter and receiver
- Simrad RS90 VHF radio and antenna
- ICS Navtex 6-plus, including GPS interface
- Iridium phone
- FLIR (2018)

Owner's cabin

- 8" plotter displays (2018)

VIP cabin

- 8" plotter display (2018)

Cockpit

- Chart plotter starboard pedestal (2018)
- Chart plotter port pedestal (2018)
- Raytheon ST60 wind, speed/direction and depth, and (2) multi-displays over companionway (total of 5)
- ST60 wind and depth (port helm)
- ST60 multi-display (starboard helm)
- Raymarine ST6001+ control electric Lewmar motor includes new MAMBA drive

MECHANICAL

- Perkins 165.5 kW Sabre M225TI with Aquadrive coupling
- Gear box (new 2012)
- Engine room insulated with 38 mm foam and lead sheets
- 88 amp alternator for engine start batteries
- 3-blade Max-Prop feathering prop
- Ambassador rope cutter on shaft
- Bowthruster: Sleipner tunnel
- Hydraulics: Lewmar 400 Commander system mounted adjacent to the mast. Includes headsail furling, mainsail furling and mainsail outhaul
- Air Conditioning: 220V reverse-cycle system of 56,000 btu's at 60 hz
- (2) New refrigeration units: Frigomatic system with keel coolers for fridges (2015). Deep freezer is saltwater-cooled (2014)
- Watermaker: Spectra Ventura 150 (2020)

- Jabsco Sensor Max 17 main house water pump
- New Jabsco main electric bilge
- Electric bilge pump: Par 3160000010 with Par hydro air switch
- Henderson MkV manual bilge pump rated at 135 gpm
- External 220V submersible pump producing 7,000 liters/hour

ELECTRICAL

- Westerbeke 12kW AC generator
- 24 Volt DC and 220 AC electric system
- 220V MASS Sine wave inverter 24/2500 to run sockets, microwave and TV
- 30A and 32A dockside power cables. Hubbell sockets in life raft storage

Batteries

- Domestic: Bank of (4) 6V surrence batteries giving 800Ah at 24V
- Engine Start: 88Ah battery bank
- Generator Start: Separate 12V starting battery
- 12V Gel battery mounted at navigation area, with independent charger to provide power for SSB radio and other equipment
- Magnetronic DCC4000 battery controller for Amps, Volts and A/hour meter
- Mastervolt Alpha 'smart' regulator for 175A alternator
- (2) Mastervolt MASS 24V 100A battery chargers fed from 220V generator or shore power
- 2-way emergency parallel link system between domestic 24V and 24V engine start batteries

HULL

GRP solid laminate hull with structural stringers and floors to Lloyds-approved design specification. High performance bulb (HPB). Full skeg protecting the skeg-hung rudder. The stern design incorporates a bathing platform trimmed with teak slats and stainless steel steps for access to the stern deck. Hull color is white, with cove line and double boot top lines in standard Oyster blue.

DECK

Deck structure molded GRP sandwich construction with teak decks. Oyster deck raised saloon profile with 'eyebrow' G4 styling. Fiberglass bulwark finished with varnished teak capping.

- Simpson long reach electric davits (2018)
- (2016) Lewmar V5 24v electric anchor windlass with foot switch controls
- Double anchor roller

- CQR 75lb. anchor (2020) with 350'/12mm galvanized chain
- Danforth H3100 (30 kg) with 10m chain plus 80m/25mm rope
- Anchor wash (2018)
- Stainless steel pulpit, pushpit, and gateway midship stanchions
- Stern post for navigation/communications' antennae
- Life raft stowage built into molded life raft bin on aft deck
- Stern quarter pushpit seats in teak and stainless steel with built-in stainless steel cup holders
- Stainless steel grabrails atop deck saloon
- Reinforced outboard bracket for 25 hp outboard
- Stainless steel mooring and cockpit cleats. Additional pair of mooring cleats on stern deck
- Stowage compartment, with removable partition, at forward end of anchor locker for kedge wrap and chain stowage
- Full-beam lazarette locker with twin stainless steel gas struts
- Gas/propane locker
- Warps and fenders
- (4) Large inflatable fenders
- Cockpit harness points upgraded to Wichard folding padeyes
- (3) Stainless steel fishing rod holders
- 12' ALX AB center console alloy dinghy (2013)
- 30 hp Tohatsu 2-stroke (2013)

PLUMBING WATER SYSTEM

- Freshwater system replaced 2018
- All faucets replaced 2018
- Hot water heater
- Toilets replaced 2018
- Watermaker: Spectra Ventura 150 (2020)

TANKAGE

- Fuel Tanks (2) Capacity: 528 gal.
- Fuel Tanks Material: GRP
- Fresh Water Tanks (2) Capacity: 383 gal.
- Fresh Water Tanks Material: GRP
- Holding (2) with deck pumpout, and gravity discharge options

MAST and RIGGING

Cutter rig with hood white-painted Sto'way mast (repainted with Awlgrip, 2017) with hydraulic

drive and reversing outhaul, and bypass valve for emergency manual operation. Reckmann hydraulic furling headstay and Reckmann manual staysail furler (can be lead aft to power winch).

- New Dyform wire standing rigging (2017)
- All furlers/swivels etc. serviced or replaced (2017)
- Reckmann hydraulic furling headstay
- Reckmann manual furling on staysail
- Solid rod kicker
- Navtec hydraulic backstay adjuster
- Navtec hydraulic tensioner on each backstay
- Split backstay with insulators
- White painted Hood spinnaker pole stowed vertically on mast
- Sidewinder heel control for inboard end of spinnaker pole
- Lightning “ion dissipator” at mast head

SAILS

- Quantum main tri radial Pro Hybrid (2018)
- Quantum genoa tri radial Pro Hybrid (2018) with foam luff and leach sun cover
- Doyle staysail (2015) with leech sun cover
- 1.5 oz. tri-radial spinnaker, 1.5 oz ripstop cruising chute with squeezer and GRP bucket, furling yankee, and staysail with padded luff
- Bowsprit for spinnaker sailing

WINCHES

Lewmar Winches all serviced 2019

- 66 CEST single speed electric primaries
- 54 CEST manual secondaries
- 54 CEST electric mainsheet
- 30 ST mainsheet traveler control line, manual
- (2) 48 CST on mast

CANVAS

All canvas (2018):
