SPECIFICATIONS

Overview

A true thoroughbred on the water, the Cruisers 4270 Express has introduced an innovative design concept: an express cruiser can effectively blend comfort with the best in express performance and handling.

The 4270 ups-the-ante in her class with a unique mid-cabin suite located amidships, a comfortable second stateroom with private head, and standup changing area. The 4270 is a design that will change thinking about the meaning of "express". Deceptively sleek on the outside, the Cruisers 4270 Express features broad shoulders that allow for a roomy, open interior layout.

Bathed with plenty of natural light and featuring impressive 66-inch headroom, the 4270's salon offers a convertible dinette - sofa with crescent-shaped seating, a stereo with 6-CD changer, and a TV - VCR.

The 4270 also has optional cherry veneer interior. Rather than the usual "cave" layout, the special midcabin aboard the 4270 includes twin berths that can be converted to a king-size bed using a self-storing filler cushion. Also included in the second-cabin suite arrangement: a private changing area with standing headroom and storage for personal items, as well as a private head with shower, also with full standing headroom. The master stateroom boasts a queen-size island berth with inner spring mattress, luxurious appointments and ample storage space for the big cruise.

For additional onboard comfort, the main head includes a separate, standup shower stall. This head is conveniently accessible from both the salon and the master stateroom. The 4270's galley surpasses that of other boats in this class, providing a large refrigerator - freezer, microwave - convection oven, three-burner electric stove, plenty of counter and storage space and, as an extra touch, attractive wood flooring.
