SPECIFICATIONS

Overview

This vessel was built many custom features including an extended hardtop, upgraded 316 stainless, intercom system, etc. She has been well cared for throughout her life and shows in outstanding condition! Powered by twin 450 Cummins "Diamond Series" diesels with low hours, "Makenzie-E" is ready to provide her new owners with trouble-free service. Whether at the dock, underway or at anchor, electrical power is provided by 50-amp shore power, a Westerbeke 11 kw generator, 2500-watt Inverter and 6 batteries. Her shallow draft is perfect for the Bahamas or the Keys and the low center of gravity provides an incredibly smooth ride, even in tough conditions. The spacious and bright lower deck has two staterooms, two heads, galley, salon, bar and dining area, as well as a lower station - all on one level with lots of headroom! The upper deck is huge and boasts a helm station with retractable electronics panel, Jenn-air grille, wet bar, icemaker, wrap around seating and full hardtop with Isinglass and EZ2CY. The "walk-out" aft deck provides easy boarding and water access via a convenient swim ladder. Whether you are interested in a great liveaboard, a floating vacation home or a comfortable cruising vessel to make the Great Circle trip, travel the ICW or relax in the Bahamas or the Keys - THIS IS THE ONE!!

Basic Information

Category: Motor Yacht

Model Year: 2001

Year Built: 2000

Country: United States

Registration #: 1101714

Vessel Top: Hardtop

Dimensions

LOA: 52' 0" (15.85m)

Beam: 14' 6" (4.42m)

Max Draft: 3' 6" (1.07m)

Generator

- Westerbeke 11.0 kW

Outside Equipment/Extras

• Cockpit shower • Cockpit cushions • Swim ladder • Electric windlass

Manufacturer Provided Description

The Bluewater 5200 is easy to handle for the boating couple, or even the single skipper. The upper deck control area is spacious and can also be outfitted with a full-length fiberglass hardtop. The lower-level bridge area is the perfect place from which to captain when the party is below deck or in the rain. The floor plan, decor, electronics and more can be individually customized. Like all Bluewater's, the 5200 can go in as little as 23 inches of water, running gear protected in recessed pockets above the keel line. It has the lowest center of gravity in the industry and is constructed of aircraft: composites like Kevlar and Klegecell.

Additional Equipment

• ICOM VHF radios (Bridge & Lower Helm) • Fusion IP700 • Samsung 46" LED TV (Flybridge) •

Samsung 32" LED TV with DVD player (Master and Guest Staterooms) • Samsung 40" TV with DVD player (Salon) • (10) Wet Sounds speakers (Bridge) • Wet Sounds amplifiers • Yamaha Blue-DVD player (Salon) • (4) Kenwood speakers (Salon) • KVH SAT dish • Satellite radio • Yamaha digital audio video control center (Salon) • Sony video display with rear facing camera (Bridge) • (4) Sea Vision underwater lights

Main Deck

• Delta anchor • Boarding/swim ladders (Stern) • LED navigation lights • LED lighting • Flybridge curtains • Aft deck rain shower • Guest electric remote search light (Bridge, and Lower Helm controls) • Swim platform • Maxwell VWC1500 windlass

Mechanical

• Marine Air reverse cycle systems, 48,000 BTU • Bilge blowers • (3) Bilge pumps • Rule high water alarm • Side-Power bow thruster • Engine controls (Bridge & Lower Helm) • Cummins Smart Craft gauges (Lower Helm) • Cummins Smart Craft Display (Bridge) • Cummins ETS Controls (Bridge & Lower Helm) • Engine synchronizer • Fireboy fire suppression system (each engine room & generator room) • Racor fuel filters • Lenco trim tabs • Teleflex hydraulic steering system • Fireboy-Xintex carbon monoxide detector (Salon, Guest, & Master)

Exclusions

• Satellite receivers • Sofa, end tables, ottoman, and dining set • Plates, silver, and cookware • Personal effects
