SPECIFICATIONS

Overview

With her bold styling, solid performance, and spacious three stateroom accommodations, the Sea Ray 580 Sedan Bridge went a long way toward defining luxury in the American sport boat market during her production years. Everything about the 580 seems big. From the expansive salon with facing leather sofas and cherry wood cabinets to the spacious flybridge with standard fiberglass hardtop and seating for friends & family.

A gourmet galley is forward of the salon, opposite a wraparound dinette with storage below. On the lower level, the 580 's opulent full-beam master stateroom features twin end tables and tons of storage. A spacious VIP stateroom forward contains a queen bed, and the second guest stateroom has angled bunk beds.

Additional features include fly-bridge air conditioning, standard bow thruster, built-in cockpit seating, extended swim platform with hydraulic lift, and a state of the art entertainment system. An excellent performer for a big American motor yacht.
