Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

As you board AS YOU WISH from the stern, you'll find a generous teak swim platform with stainless steel swim ladder. The boarding door located at the centerline on the transom opens to a spacious carpeted cockpit. The elegantly upholstered seating allows for 12 guests and features storage below. A raised platform table to port along with built-in beverage holders makes this vessel well-suited for entertaining. A teak taffrail surrounds the cockpit and provides an excellent handhold for guests. An aft sunshade allows for shaded relaxation. Enjoy music through the boat using the JL speakers and subwoofers. Moving forward, the single level cockpit features a Kenyon electric grill to starboard along with a sink, and Isotherm refrigerator. Air conditioning in the upper cockpit and even more seating for guests allows for comfortable cruising. To port you'll find a companion lounge with hi-lo pedestal table. To starboard the fully equipped helm features a doublewide seat and excellent visibility. The Garmin electronics suite and touchscreen controls makes piloting effortless. As you enter the cabin and descend three teak steps, you'll find a large pedestal berth forward. The port lights and hatches allow for ample natural light in the cabin. To starboard you'll find a mini galley equipped with Corian countertops, microwave/convection oven, and Isotherm refrigerator. To port is a full fiberglass marine-grade head. A showerhead installed in the bulkhead allows for ease of use. A hanging locker forward incorporates a mounted TV and DVD player. The twin diesel Volvo D6 engines paired with the autopilot make handling the yacht a breeze. Your guests will enjoy the smooth ride onboard AS YOU WISH while you enjoy stress-free docking with the bow thruster. The low hours and immaculate condition will leave you in awe. Schedule a showing today!
