## Overview

---

This Silver Line S470N is a new model replacing our previous S470 bestseller. The new model retains the original Silver Line philosophy of a practical, spacious and lightweight concept with elegant design but now incorporates the unique GRAND DART hull system with key features: • A higher keel line with a deeper “V” for a softer ride; • Additional space at the forward end of the cockpit; • Reduced water spray for a drier ride at speed.

We have also included a new generation steering console with double seat for a more comfortable ride plus additional storage space.

The S470N is available in three versions: • The BASE version (S470N) — boat with bare cockpit suitable for customization; • The SPORT version (S470NS) — boat with (CS-03) SPORT console, double jockey seat and steering system; • The DELUXE version (S470NL) — boat with new (CL-14) steering console with; windshield, handrail and front seat, plus a new stylish (SD-10) double seat. Each model is available with either PVC or HYPALON buoyancy tubes.
