## Overview

---

Our SILVER LINE Tenders combine a traditional RIB design with our original styling. They are light in weight, very fast and spacious and rank highly in the rigid inflatable tender class.

SILVER LINE Tenders are produced in four sizes; 250 cm (8'2"), 275 cm (9'0"), 300 cm (10'10") and 330 cm (10'11") and are available in the following versions:

- The Base version – a True Classic. It is a conventional tender featuring two removable wooden seats and oars, along with several other features and optional equipment. Take it out for lunch on the beach or perhaps a short trip to the mainland for supplies.
- The Sport version – treat the kids or yourselves. This version comes with GRAND's SPORT console featuring a complete steering system (except S250 and S275) and with the ideal power options; up to 25hp on the 330, to qualify it as a potent and exciting high-speed watercraft. It's for boaters who value fun and great handling!
- The Deluxe version – just what your luxury yacht needs! This boat includes the new Deluxe (CL-17) console with a complete steering system (except S250 and S275) and wide (SD-12) double seat with soft back and securable locker.

All models are available with PVC or HYPALON buoyancy tubes.
