SPECIFICATIONS

Overview

The 39' Maverick Yachts Costa Rica Custom Sportfish Walkaround grants full 360-degree fishability. If this doesn't sell you, the custom boat is also outfitted with outboard engines and an optional tower. With maintenance easy, and fishability checked off the list, you can also get out of the sun and take a break from the heat in the air-conditioned roomy cabin. The 39' Custom Sportfish Walkaround checks all the boxes and goes above and beyond by including state-of-the-art marine electronics and an optional Seakeeper Gyro.

DETAILED INFORMATION

Vessel Walkthrough

Maverick Yachts Costa Rica stepped out of the flybridge realm and built a new 39' Walkaround after the huge success and popularity of the 36'. The 39' is intended to bring a new light to boat ownership with easy maintenance and the creature comforts of the larger sportfishing vessels.

Entering the cockpit, you will first notice the lavish teak deck and rich colors of the covering boards. The cockpit is outfitted with a rocket launcher and immense in-deck storage. Forward lies a spacious mezzanine with comfortable seating for guests and ample storage. As you move forward up to the bridge deck, the roomy arrangements provide a protected area to get out of the sun. The helm is pushed forward to allow the captain a full range of visibility. Down below houses a forward berth and galley area. To starboard lies a head complete with shower. Efficient storage was vital for the cabin design, and the 39' uses every orifice to complete this task.

Overall, the 39' Maverick Yachts Costa Rica touches on everything you may need. From fishing and diving to cruising and entertaining, she does it all.
