SPECIFICATIONS

Overview

The Regulator 34 is a true center console with a design that maximizes space to the point of rivaling its 39-foot competitors. Fishermen’s favorites include a 42-gallon transom livewell, 220-quart transom fishbox, 400-quart cockpit in-deck fishbox, 3X Deluxe Tackle Center with rigging station, and triple Yamaha F300s with optional Helm Master with Set Point™. Let out your lines with the optional Taco® Grand Slam 380 outrigger bases with 20’ Carbon Fiber telescoping poles and keep the fish on ice with an optional refrigerated chill plate for the transom fish box. With a berth that features sleeping accommodations for two, an abundant rod rack storage, as well as a starboard boarding and dive door, the 34 is ready to ride. New standards for 2020 include T-Top with integrated wraparound windshield for more protection at the helm, cockpit SureShade® for coverage on deck, and Factory-Installed Garmin® Offshore Package to navigate in any waters.
