SPECIFICATIONS

Overview

In the tradition of the latest 41.1, the Oceanis 38.1 cleverly combines practical features, performance, and elegance on a boat size where function generally outweighs personalization. The Oceanis range continues to stand by its desire to offer a wide range of options.

The Oceanis 38.1's chinned hull offers particularly surprising cruising comfort. Good and taut to aft and low on the water, the rigidity under sail of this cruiser takes her further and faster, with exceptional stability. It is a joy to have two helm stations, a mainsail arch and a huge swim platform on a sailing yacht this size. Underway, she is nimble and fast, easy to sail shorthanded but with a large enough cockpit to accommodate bigger crews.
