DETAILED INFORMATION

Be Cool2

Admiral 35 was completed under the supervision of the American Bureau of Shipping, earning it the 'Maltese Cross A21 Yachting Service AMS' certification.

Interiors, well versed in the shipowner's personal taste, were designed by Studio Magazzini Associati in Rome, who took an unconventional approach in their interpretation: the architects have chosen clean lines incorporating materials usually found in architecture.

The main salon comprises a spacious lounge area which is connected to a dining area for 8 guests. Admiral 35 interior layout has been designed to comfortably accommodate up to 8 guests overnight in 4 cabins, including a master suite, 1 VIP cabin and 2 twin cabins. She is also capable of carrying up to 6 crew onboard in 3 cabins.

The roof is a carbon-steel canopy that can raise up to three meters, allowing open-air workouts and a new way of onboard fitness. The flybridge is equipped with a shaded rest/sunbathing area, sunloungers, and an alfresco dining.

Admiral 35 is powered by two diesel engines MTU 12V 4000 M90 2820 HP with 2770 engine hours.

Exclusions

Owner's personal belongings.
