Overview

2000 60 Viking Cockpit Sports Yacht

This 60 Viking has had only Two Owners since her commissioning. Most of her time has been spent in freshwater on lake Michigan and in a heated barn during the winter months. "Lindonia" has been well kept. The engine room is very clean and everywhere you look it is apparent that things have always been done correctly. Her interior shows no signs of wear and shows like new. The well appointed galley, large salon, and three stateroom layout, makes this model suitable for extended cruising . Both the enclosed bridge and aft deck are fully climate controlled and very spacious. The cockpit with swim platform makes this boat great for the islands or the keys. "Lindonia" is also equipped with with a Quicklift low profile davit and a 14 ft tender with a jet drive.

A must see for anyone looking for a quality motor yacht.
