SPECIFICATIONS

Overview

The 88' Pershing is one of the best running hulls Pershing has ever produced. The specific 88 Pershing has recently received a complete refit, stem to stern, keel to mast! There is not one surface or piece of machinery that has not been touched, painted, updated, or improved in this vessel.

The interior has been appointed with only the finest materials and equipment available from the top designers in the world. The helm was completely rearranged to allow more equipment, better visibility, and ergonomics.

The vessel has everything from the Crestron System to the Yacht Controller to assist with operation of the vessel and its multiple systems.

The engine room was completely gone through, and equipment was moved around to make machinery more accessible and easier to service. While doing the work in the engine room, the entire electrical system was upgraded re organized.

The listing on this vessel is going to be refined over the next couple of weeks, because of all the things that have been done to this vessel throughout her refit. Well over 3.5 Million was spent on the vessel during this refit along limitless amounts of time, sweat, and tears.

AMORA is a very special vessel that ultimately is a MUST SEE!!!

Basic Information

Category: Motor Yacht

Model Year: 2004

Year Built: 2003

Country: United States

Registration #: 1239984

Dimensions

LOA: 88' 5" (26.95m)

Beam: 20' 5" (6.22m)

Min Draft: 5' 9" (1.75m)

Speed, Capacities and Weight

Cruise Speed: 36 Kts. (41 MPH)

Max Speed: 42 Kts. (48 MPH)

Displacement: 136400 Pounds

Gross Tonnage: 107 Pounds

Water Capacity: 317 Gallons

Fuel Capacity: 2100 Gallons

Accommodations

Total Cabins: 4

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MTU

Model: 16V-2000

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Navigation Electronics

(2) Furuno NEMA 2000 GPS's

Furuno TZTL12F plotter, Timezero software in LG computers

Furuno AIS

Furuno TZTL12F radar

Furuno TZL12F depth recorder

Simrad AP28 auto pilot

White Star 6" compass

(2) Simrad RS35 VHF's with Simrad HS35 wireless mics

Autohelm gauge and rudder angle indicator, and in autopilot

ACR spot light

MTU engine synchronizer

Hydraulic trim tabs

Closed circuit monitor system is with six cameras through LG computers

(4) Kahlenberg trumpet horns

(2) LG personal computers

Bosch infrared camera

(4) 15" monitors

Dell 32" Touch Screen monitor

Anchor windlass controls

Hydraulic American bow thruster
