#### **INVISION: An Exciting Opportunity for an Owner to get a Large Fiberglass Yacht at a Great Deal.**

At 132' (40.23m) INVISION is a sporty addition to IYC's global sales fleet. A proven charter yacht with contemporary style, maximum space and a competitive price tag, INVISION has a shallow draft of just 7' 5" (2.26m) ideal for cruising The Bahamas and Caribbean.

INVISION accommodates 10 guests in five well-appointed staterooms all with large ensembles. The on-deck full beam Master Stateroom with king-size bed boasts a freestanding oversized bathtub in the ensuite and large separate shower. Formal dining is afforded on a large glass table seating up to 10 guests in the open plan main salon. Alfresco dining and a cocktail bar perfect for happy hour are found on the main deck aft.

Statement design details run throughout the yacht, with metallic contrasting finishes in stainless steel and brass for dramatic effect. Bright artworks bring pops of color to a sophisticated cream and marble-clad interior. Mirrored ceilings in the sky lounge and hallways reflect the natural light streaming through large windows, with a second bar well-positioned to enjoy aperitifs with a view.

The best seat in the house is in the six-person sundeck Jacuzzi, which is paired with wraparound seating, large sunpads, a shaded dining area and wet bar for sundowners. Dual stairs conveniently lead down to the cockpit where water activities rule the day. Let's go yachting!

Offered to market as an excellent charter platform, with accommodation for eight professional crew. Zero speed stabilizers provide comfort at anchor. INVISION is an exciting opportunity for an owner looking to get the most for their money.
