Engine Type: I/O

Fuel Type: Diesel

DETAILED INFORMATION

Description

The Italian shipbuilder SACS Marine dedicated the Rebel 47 Open to adventure seekers, to those who love and appreciate the sea for what it is: challenging, unpredictable and beautifully pure. It combines the flexibility, drivability and nearness to the sea that only a RIB can offer with the comfort, spaciousness and luxury of a yacht. The increase and intelligent use of the spaces on board make cruising even more pleasurable, without giving up the typical performance and safety of a common SACS boat. Ship is ready to sail away directly. With just 71 engine hours this vessel is really in top condition. Fully equipped yacht including airconditioning, generator and hydraulic transformer.

Overview
