SPECIFICATIONS

Overview

This stunning 16.2m (53.1 ft) WAJER 55 yacht is a thoroughbred in her field. Launched in 2017, she is highly customised to operate as a tender and chase boat, or as a weekend yacht in her own right - with two cabins for four guests, space to welcome up to 20 passengers aboard and a range of 450nm. She is available for delivery in September 2021. The WAJER 55 has three Volvo Penta IPS 600 D6 435hp engines consuming an economical 130 litres an hour at 25 knots, and she easily reaches 28 knots cruising speed. Her 2,368 litre fuel tanks ensure your peace of mind when you take her on longer trips. Her deep V-planing hull shape is engineered to give you a smooth ride at her highest speeds, and the four Stidd captain's chairs feature custom-made suspension for your comfort. Although your guests may like to choose the expansive sunpads on the foredeck. The cockpit is protected by a wraparound windshield of toughened, laminated and tinted glass, so you and your guests are shielded from glare, wind and spray. There are also comfortable sofas, a wet bar and refrigerator for entertaining. As the evening draws in the underwater lighting comes on to add to the mood. Down below you will find a neat galley kitchen, shower and separate toilet and a wide double bed in the fore cabin, as well as a twin cabin aft. Air conditioning keeps this living space at your optimal temperature. There is a second deck shower to rinse off after a swim, and an integrated swim platform and ladder drops down astern for ease of boarding from any level. We are very excited to bring this yacht to market with an asking price of EUR 1,850,000. With her customised build, she is a head-turner in any port.
