DETAILED INFORMATION

Introduction

After an extensive refit and a successful charter season, the owners have decided to move up. Brandi Wine offers an excellent opportunity for someone to purchase a turnkey charter yacht operation with a steady stream of bookings. She underwent a million-dollar refit in 2019-2020 and looks amazing. The list of toys and features are those only found on much larger vessels, zero speed stabilizers, Sea Bobs, Jet skis, hot tub, Dive compressor and gear. She has the ability to sleep as many as 10 in the owner's party and accommodate up to 5 crew at the same time. Take this rare opportunity to experience all that life has to offer.
