SPECIFICATIONS

Overview

This 2000 Sea Ray 310 Sundancer Express Cruiser has been meticulously maintained and she shows it.

She has a large aft area with a cockpit table for entertaining family and friends and easy access to the large swim platform for all day fun in the sun!

The cockpit is large with full control of your cruising and great visibility makes this boat easy to handle even in tightest docking areas. With the twin Mercruiser Horizon 5.7L 300hp direct drive engines you can get where you need to be fast. The 4.5KW Westerbeke generator will supply all the onboard power you need when you get there.

Walking below you have all the creature comforts you want after those long days and for the quiet nights on the hook. A spacious and functional galley with a two burner stove, microwave, refrigerator, and sink makes short work of meal preparation. The sleeping quarters include a double V-Berth, and two single berth convertibles.

Recent Repairs:

- Bottom paint 2018
- Cutlass bearings 2018
- Props tuned 2018
- Replaced three seacocks
- Prop Shaft/Engine Alignment
