Overview

Striking 250 Outrage, has Twin Mercury Verados.

The 250 Outrage is a masterful offshore runner. The deluxe leaning post provides a pressurized livewell, bait-prep area, netted storage, dual rod holders, a freshwater sink and tackle storage for reeling in ocean and bay fish alike. Functional helm, bow and fold-away stern seating assure comfort throughout, and a custom fiberglass cooler slides forward to create a sunpad filler.

Luxury yacht owners will take pleasure in the 250 Outrage's superior tender qualities: ample power, unsinkability and sleek design. Unlike an inflatable dinghy or a RIB, the 250 Outrage is a tender that serves as a powerful boat in its own right. For the serious angler who won't compromise on comfort, the 250 Outrage is the way to go.
