SPECIFICATIONS

Overview

Infusion is a 2 cabin, 1 head Beneteau 331 and is currently in the water in Lottsburg, VA. The Beneteau 331 is one of the most-loved Beneteau models. It is spacious for a 33 foot boat, and has 6'3+ headroom throughout. Full galley, large head and comfortable accommodations below, as well as a large cockpit with plentiful storage. It 'lives well' and handles well in all weather conditions. The cherry wood interior wood harkens back to days of traditional darker wood, but the portlights, overhead hatches and striped upholstery make it light below.

The cockpit is spacious and the drop-down helm creates a walkthrough transom and easy access to the water from the swim platform.

Infusion has the following:

Reverse Cycle Aircon/HeatAutopilotInmast furling mainsailSalon table that lowers to form double berthRaymarine ChartplotterAdler Barbour Refrigeration/FreezerOrigo Microwave

This is a really clean, boat. She is waxed and bottom painted every 2 years. If you are looking for a compact boat to take you on the Bay or down the coast, come and see Infusion.
