# **DETAILED INFORMATION**

#### **Hull Construction:**

The Dominator 800 hull is fabricated using vacuum-infusion technology with layers of sandwiched laminate and fiberglass. This method not only reduces the weight of the yacht, it also lends added strength to the hull. The interior doors are intentionally solid so internal noise is lessened while underway. In fact, Golden 3 was built to CE Category A standards.

#### **Exterior and Deck:**

Golden 3 features a GRP hull and superstructure with teak decking throughout. Friends and family have multiple entertainment zones to choose from due to the yacht's sizable exterior deck. The flybridge deck features the largest [carbon fiber] hardtop in its class at the time of build, and offers guests a bar with bar stools and comfortable lounge seating for casual meals and entertaining. Sunbeds both fore and aft treat guests with the opportunity to sunbathe. The glass paneled aft railing maintains one's connection with the sea. Moving down to the aft deck, a Brazilian hardwood table with onyx and marble touches is perfect for al fresco dining. Guests have the option of boarding from either port or starboard. Staircases on either side lead to the teak swim platform with hydraulic lift. Launch the jet ski and this becomes another great opportunity to soak up the sun. And last but not least, the bow area offers a more intimate space for guests & owners to relax at sea, outfitted with a jacuzzi, sunpad, sofa, Bimini top and teak table.

## **Interior:**

Golden 3's interior, created by renowned Italian designer Alberto Mancini, captures the sunlight from many angles; it's the perfect blend of comfort and luxury. In the salon & dining area, a leather sofa and chaise lounge provide owners & guests with cozy seating for relaxing and entertaining. Large windows keep the area bright and connected with the ocean. The focal point is an exquisitely finished bulkhead in Botticino marble. This fine Italian marble is continued throughout, creating a subtle, cohesive interior.

In the salon & dining area, Minotti leather sofas stuffed with Ostrich feathers and a chaise lounge provide owners & guests with cozy seating for relaxed entertaining. Large windows keep the area bright and connected with the ocean. The focal point is an exquisitely finished bulkhead in Botticino marble. This fine Italian marble is continued throughout, creating a subtle, cohesive interior.

Golden 3 — DOMINATOR Page 7 of 14

The galley is quite the conversation starter with its white glass cabinets and contrasting black marble countertops. A breakfast bar/prep-station is situated under the window. Appliances are all high-end Miele and LG brands.

And last but not least, Golden 3 is powered by twin MAN 1800Hp diesels engines for cruise and top speeds of 25 and 35 knots, respectively. Twin Gyro stabilizers provide essential comfort and stability at sea and at anchor.

## **Engine and Electrical:**

Golden 3 is powered by twin MAN 1800Hp diesel engines for a comfortable 25 knot cruise speed and 35 knot top. Two (2) Seakeeper 9 gyroscopic stabilizers provide owners with superior motion stabilization at sea. Golden 3 also comes equipped with two (2) Onan 24 kW generators and a 60Hz, 120/240V (USA) electrical system.

# **Electrical Equipment:**

Generator: 920 & 932, recorded July 2021

## **Navigation:**

Complete Raymarine electronics suite in both upper and lower helms.

## Miscellaneous Features:

- Jacuzzi, bow
- Hydraulic bow and stern thrusters
- Hydraulic TNT Lift
- Hydraulic windlass
- 8-man life rafts (2)
- 9' Williams Jet inflatable tender
- Sea Doo jet ski
