Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 4JH110

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Aequus is an excellent platform for living aboard and extended World cruising. She was thoughtfully equipped by her owners to ensure comfort, safety, and ease of handling. She reliably carried them throughout the Med, Caribbean, and east coast of the United States since they took delivery in 2018. Now they are ready to return to their lives in the UK and hope that their beloved Aequus will sail on to new adventures. Her stylish Walnut interior features three staterooms, two heads, a utility/laundry area, a salon, galley, navigation station and a tremendous amount of storage. She will comfortably accommodate eight people in four berths, including the convertible salon berth. Interior amenities include, reverse cycle air conditioning, washer/dryer, dishwasher, refrigerator/freezer, two heads with separate showers, a television, stereo, and a spacious salon with plenty of seating. The high-capacity AC generator and inverters will power all the AC equipment, when needed, and 1300 watts of solar maintains a charge on the lithium battery bank. Thanks to the water maker there is always plenty of fresh water, so go ahead and enjoy a proper shower aboard this lovely yacht. The Bavaria C57 is fun to sail and easy to handle – even with a small crew. Its sheets and halyards can all be operated easily using four winches (2 electric), all within reach of the twin helm stations, which are fully equipped with electronics. The furling mainsail is a must for shorthanded cruising and sailing into the wind is a breeze thanks to the self-tacking jib. The Code-O is perfect for a pleasant beam reach and the cruising chute drives Aequus nicely down wind. The standard draft keel provides excellent lift and tracking ability, while dual rudders reduce weather helm. Finally, when needed the upgraded 110 HP Yanmar will consistently push Aequus along at 8.5 knots. The deck and cockpit layout on the Bavaria C57 were expertly designed for safety, comfort, and enjoyment by Maurizio Cossutti of Cossutti Yacht Design in Italy. Flush mounted deck hatches, covered line channels, minimal deck fittings, lifelines, and cabin top rails make it easy to navigate the decks. The cockpit offers a tremendous amount of space with two U-shaped seating areas, two tables and dedicated helm stations. The cockpit tables can easily be converted into lounges and the exterior wet bar with grill, sink and refrigerator drawer is a sweet feature! The drop-down bathing platform is easily accessible via actual steps on either side of the integrated rib garage which accommodates the 60 HP Williams MiniJet 280. If you enjoy scuba diving you will love the dive compressor. Finally, Aequus includes an assortment of water toys. Aequus is priced well below her replacement value and is ready to go. Note that VAT was paid in Malta in 2018. Aequus entered the US in June of 2021 and is currently cruising the mid-Atlantic. Contact the central listing broker for details on her current location.

Description

Navigation

- (3) 12" B&G Zeus multifunction displays
- B&G H5000 CPU

- (2) B&G H5000 graphic displays
- B&G H5000 autopilot
- (2) Autopilot control pads
- B&G 4G broadband radar
- B&G forward looking sonar
- GoFree WiFi access point for nav equipment
- B&G H50 VHF at the nav station and a wireless VHF remote (transmit and receive AIS)
- Radar reflector

Entertainment

- Fusion MS-AV755 head unit
- Fusion MS-NRX300 control in cockpit
- 500w amplifier
- (4) Fusion speakers
- Samsung 40" smart TV on electric lift
- PlayStation

Accommodations The interior of Aequus is finished with Walnut joinery, synthetic Elm flooring, solid surface "Milky White" counters, and light vinyl covered panels. All interior lights are LED and accent lighting is provided. The yacht has two reverse cycle air conditioning units for comfort, eleven deck hatches and opening ports for ventilation, and large coach roof and hull windows for natural light.

- Blinds and screens on hatches
- Curtains for coach roof windows & hull portlights
- Reading lights, electric outlet and USB chargers in each cabin

- Dimmable lights in salon and cabins

The forward Owner's Cabin features a Queen size "island" berth, table with seat, and storage.

- (2) Reading lights
- (2) opening hatches
- Soundproofed for privacy
- Upholstered headboard and bed frame

The ensuite Forward Head has a separate toilet and sink to starboard and a shower to port.

- Manual flush raw water toilet
- 70L (18.4 gallon) holding tank

The innovative Galley extends across the breadth of the boat, which allows for an efficient use of space. The sink, stove/oven, and dishwasher are on the port side and the drawer fridge/freezer and Bosch microwave is to starboard.

- Solid worktop "Crispy Milk",

- Bosch microwave, 220v
- Fisher & Paykel Dishwater, drawer 220v (incl grey water tank)
- Oven and 3-burner gas stove on gimble
- Nespresso coffee machine
- Drawer fridge and freezer
- Supplemental Dometic chest fridge and freezer located in the port aft cabin
- Double stainless steel sink
- Ventilation fan above the stove

The inviting Salon features a U-shaped dining area to port and and lounge area to starboard with a proper navigation station. The dining table drops down with a touch of a button to convert to a berth and a cleverly hidden 40" TV, raises and retracts on demand.

- (4) large deck hatches with blinds and screens
- (4) opening ports
- Electric salon dining table that drops to convert to a berth
- 40" TV raises and retracts on demand.
- Sideboards, shelves and cabinet
- Leather style covered chart table
- Handrail on ceiling in stainless steel with leather cover
- Handholds at companion way, covered with leather
- Chart table with a 12" B&G multi-function, VHF, Fusion stereo, generator control and battery monitor
- Plenty of storage beneath the cabin sole

Two Aft Cabins:

- Upholstered bed frames
- Cabinets
- Two opening hatches with screens and blinds
- One opening port
- Covered panel ceiling in cabins

Port Head:

- Pump-toilet with holding tank, disposal via seacock
- and deck pump out
- Separate shower stall
- Vanity, sink and mirror
- Manual fresh water flush toilet
- 70L (18.4 gallon) holding tank

Starboard Laundry Room:

- The starboard head was converted to a utility/laundry room by the owners.
- Vanity, sink and mirror

- Washing machine (Soba Babynova 1000)
- Storage

Cockpit The Bavaria C57 features a spacious cockpit with two U-shaped seating areas, twin helms with helm seats, and two teak tables. Amenities include a cockpit wet bar with a gas grill, sink and 30L drawer fridge. The cockpit is covered by a sprayhood and bimini.

- Sprayhood with handholds
- Bimini top with LED overhead lighting
- Cockpit cushions with backrests
- Twin cockpit tables
- Cockpit wet bar area with a gas grill, sink and a 30L drawer fridge
- Electric bathing platform with a swim ladder
- Cockpit shower
- Freshwater washdown at transom
- Teak on cockpit floor, benches, helm seats, bathing platform and pushpit seats
- (2) foldable Teak pushpit seats
- Y-spoke carbon steering wheels - black
- Twin helm pedestals with (2) 12" B&G multifunction displays, (2) autopilot controls, (2) B&G multi-displays, a Fusion remote, wireless VHF, bow and stern thruster controls (starboard helm) and an electronic throttle (starboard helm).
- Courtesy lights in cockpit
- 12v outlet in cockpit
- Companionway with washboard and sliding hatch in acrylic glass
- Dedicated life raft storage in cockpit floor
- Storage space for toys and equipment under cockpit, access via cockpit floor hatch
- Line storage boxes at each helm
- Box for gas bottles, self drained
- Strategically placed cupholders

Deck

- Stainless steel arch with solar mounts
- Cockpit floor, cockpit benches, swim platform, side decks and coach roof finished with Teak
- Sail locker
- Stainless steel anchor arm with roller
- Electric windlass
- 40kg Rocna anchor with 100m chain
- 35 kg Delta anchor (spare)
- Flush mounted deck hatches
- (6) mooring cleats, stainless steel, fixed
- Stainless steel pulpit and pushpit
- Rail opening on both sides
- Stainless steel passerelle
- Deck ventilators

- Fishing rod holder
