Длина по ватерлинии: 45' 5" (13.84m)

Ширина: 13' 2" (4.01m)

Макс. осадка: 5' 6" (1.68m)

Трапы: 63' 0" (19.20m)

Скорость, вместимость и масса

Водоизмещение: 35600 Pounds

Вместимость воды: 250 Gallons

Вместимость сточного бака: 40 Gallons

Объем топливного бака: 250 Gallons

Размещение

Всего кают: 2

Всего коек: 4

Всего ком. состава: 2

Корпус и палуба

Материал корпуса: Fiberglass

Информация о двигателе

Двигатели: 1

Производитель: Yanmar

Модель: 4JH2-TE

Тип двигателя: Inboard

Тип топлива: Diesel

ПОДРОБНОЕ ОПИСАНИЕ

Description

A beautiful, classy cruiser, the Bill Crealock designed Cabo Rico 45 delights the eye as well as delivering a well found, sensible yacht. The amount of storage on this design is amazing. There is room for everything a cruising couple would need or want. She's designed to provide spacious accommodations for 4 and, when you plan to liveaboard, you will appreciate that space. She is capable of taking you anywhere and is waterway friendly with a mast height of 63'. Her 5'6" draft allows you to enjoy those out of the way places but, gives you sailing characteristics that are desirable on blue water passages. Kalista has been loved by her owners and offering her for sale has been difficult but, they are ready to have her move on and now grace another family. She is strong, beautiful and ready to make your cruising dreams a reality.

- 75 HP Yanmar
- Bow Thruster
- Arch with Davits, Solar Panels, Wind Generator
- Full Enclosure in beautiful condition
- Espar Diesel Heater
- Spectra Watermaker
- Island Queen with Ensuite Head
- Great Cruising Layout...everything you need at the base of the companionway.
- Boom Furling Main
- Electric Primaries and Halyard Winch
- She is on the hard and ready for your thorough inspection.

Overview

Accommodations Starting forward is the owner's cabin with center-line queen bed, tons of storage, overhead opening hatch and opening ports, and an ensuite private head with separate stall shower. Next aft is the spacious main saloon. To starboard is a long settee with storage behind and underneath, featuring convenient doors that allow quick access to the storage areas without having to pick up the bottom cushion. There is a "U" shaped settee/dinette to port with a beautiful drop leaf table. It allows seating for 8 and again, there is storage behind and underneath the settee. To port of the companionway is an "L" galley with three burner propane stove with oven, microwave, double bowl stainless steel sink and refrigerator/freezer that is top and front opening. There is corian on the counter tops. Also, directly to port of the companionway is a generous wet locker, perfectly placed for that wet foul weather gear. To starboard of the companionway is the entrance to the aft cabin with huge bunk and storage. Just forward of that is

the entrance to the day head, which has a sink, shower, marine head and ElectraScan treatment system for the head. Forward of the day head on the starboard side is the forward facing nav station. The teak joinery is absolutely gorgeous but, there is a good balance of light bulkheads that keep the interior bright and welcoming. The floor plan is spacious but still provides hand holds everywhere for safe passage below. There are fans and opening ports and overhead hatches with teak screens throughout. Deck and Hull Kalista is an easy boat to navigate topside. Her fiberglass decks are wide with good hand holds going forward and there is a nice bit of deck aft of the cockpit that allows easy line handling.

- Teak clad bow sprit platform with two sets of anchor rollers
- Muir electric anchor windlass (HR Jaguar horizontal)
- Rocna 88lb anchor with 400 ft of 3/8 chain
- Heavy teak cap rail
- Raised bulwark
- Molded-in port and starboard rub rails with stainless striker
- Port and starboard double lifeline boarding gates
- Stern ladder
- 4 Teak dorade boxes for ventilation below
- Custom Stainless Steel Arch incorporating davits for a 10'6" dinghy, solar panel mounting and various antenna mounts
- Dinghy with aluminum floor
- 15 HP 2 stroke outboard
- Full cockpit enclosure
- Cockpit cushions
- Hot and cold cockpit shower
- Teak hatchboards
- Teak companionway doors with screens
