# DETAILED INFORMATION

---

## Overview

---

ADVENTURES is a blend of two things that never go out of style - trawler economy at lower speeds and the planing speed ability to run with most motor yachts. She was built on a solid fiberglass hull with a round bilge, deep forefoot, a spray rail that runs aft to reduce roll and a long keel. Principal features include a full-width salon, a spacious standup engine room, a huge flybridge and a full teak interior and third control station. The covered aft deck has space for a couple of deck chairs, and there's a door in the cockpit for access to the master stateroom.

## Cockpit
