The Sea Ray 44 Sedan Bridge combines the bold, cutting-edge styling and lush accommodations boating enthusiasts have come to expect in late model Sea Ray yachts. By any standard, the 44 is a strikingly handsome design both inside and out. Wood floors, over sized windows, and plush Ultraleather sofas, one a convertible sleeper, are just a few of the luxuries found in the spacious cabin. A raised dining area provides a panoramic view of the outdoors, and deep-pile carpeting and high-gloss cherry cabinets highlight the decor. Below, a small guest cabin to port has twin single beds, while the forward master stateroom features a queen-size island berth and a brand new flat screen and DVD player. Washer/dryer, hidden under the galley stairs. Both head compartments are fitted with shower stalls. A sliding glass door opens to the cockpit with its walk-through transom, transom bench seat, and molded flybridge stairs. Offering good visibility fore and aft, the extended flybridge includes a large U-shaped aft seat with removable table. Cummins 500hp diesels cruise the 44 Sedan Bridge at 24knots and reach about 32 knots top
