The enormous interior of *Camelot* is both stylish and functional. The port side galley is apartment sized, with lots of storage. The convertible sofa gives plenty of room to stretch out, and she has two large staterooms and two spacious heads. The forward head has a separate shower compartment and doors that open both into the salon and the forward cabin. Both heads are extra large Vacu-flush.

Lots of custom work had been done to the interior of *Camelot*, including:

- Re-upholstered Salon in Ultra-leather with a movable high/low oak trimmed table
- Forward stateroom berth was increased in size to full width making it king sized. A custom "Handcraft" Mattress was added.
- Fitted bed covers
- Hanging lockers increased in size and added a laundry bin, and cedar paneling added
- All interior lighting changed to LED
- KVH satellite system
- New green and beige berber cockpit carpet leads to new oak trimmed steps to main salon

## DECK AND COCKPIT

---

The aft deck of *Camelot* has full wrap around seating for 10 people. The ultra-leather sofa wraps from the transom, along the starboard side and meets the back of the helm. The seating can be divided with the aft enclosure zipped down. She has a custom granite table that can be moved to 3 different positions along this seat. The entrance to the boat is to port, and there is an outdoor sink with hot and cold water along the port side.
