Overview

Rare opportunity to own a late model 82' Pershing in the US market!

MONARC is a 2018 high-performance sports flybridge yacht built to thrill on the water. Powered by 2x MTU 2600 horsepower surface drives, MONARC is capable of 44-knot maximum speed.

Her three-stateroom designer layout will luxuriously accommodate up to six guests. Upon boarding MONARC, the spacious aft deck is an excellent outdoor entertainment and leisure area that flows directly into the main salon for an expansive open floorspace with lots of natural light. Two aft crew cabins for up to three crew will ensure a relaxed cruise.

Meticulously maintained by experienced captain and crew since the yacht was launched.

Extended full engine warranty until March 2025.

Now available for showings in Newport, Rhode Island.

Manufacturer Provided Description

The pleasure of yachting is taken to new extremes. Pershing 82 is the most brilliant response to the toughest of challenges: combining large size and sporty features. In spite of its 24-metre length and 5.50-metre width, the Pershing 82 can reach a maximum speed of 45 knots and boast a range of more than 300 miles. It s outer profile is aggressive enough to let one sense the performance this yacht is capable of and the upper deck with its retractable helm station results in very slender lines with an unusual height.
