SPECIFICATIONS

Overview

GiJa has a large open plan living area on the main deck. The aft cockpit has space for dining and relaxing. Inside is like a huge apartment with high ceilings and incredible windows all around.

The upper deck has shade to cover the dining table, and the bar with grill. The only part not covered by shade is the sun bathing area at the aft end of the deck, and the furthest forward part where you find the mast.

Rigging is impressive with three furling headsails, and a fully battened main (see detailed description of sails).

The foredeck has seating and lounging as well as the large nets for relaxation. There is an extra crew cabin built into the starboard forepeak.

The yacht is offered with it's 200hp Williams 520 tender.

All in immaculate condition, and well maintained by the Swiss owners who spend a lot of time on board, ensuring maintenance is done, and upgrading elements that were not up to standard - most notably some pipework has been upgraded.

Basic Information

Category: Catamaran

Model Year: 2019

Year Built: 2019

Country: Italy

Fly Bridge: Yes

Helipad: Yes

Dimensions

LOA: 78' 9" (23.99m)
