## Highlights

---

The 58 Leopard is easily boarded on the side-deck entry or from the hi/lo electric tender platform on the aft deck, or the sugar scoop transom steps. The aft deck features an icemaker, refrigerator, and dining table for 8. The aft deck can be enclosed with isinglass or sunscreen material. The 58's spacious floor plan features a large main saloon with aft deck and fore deck access. The main-saloon features a large dining table for 10, L-shaped galley and lounge with access to the forepeak trampoline. The four cabins below all with private en-suite baths, opening hatches, hanging lockers, separate a/c controls and teak style flooring. The enormous fly-bridge has a great captain's helm station with a 360-degree vantage point, with all sail controlled by lines within arm's reach of the electric winches. The fly-bridge amenities include sun-covered lounge seating for 10 with a wet bar/refrigerator and grill. The mechanical compartments are easily accessed through the large side deck hatches. Once opened you'll find the main engines and all ship's system clean, and well displayed for easy maintenance.

The exterior hardware (shrouds, stations, running rigging, blocks and tackle etc..) are clean and in good condition.

## Broker Comments

---

This 58 Leopard has been well maintained by the original owner. The exterior and interior show light use by a diligent owner and a sensible budget. The vessel has been brought to Ft Lauderdale for the specific purpose to sell. The seller is moving up to a larger Catamaran. The 58 Leopard catamaran stays true to the innovative style that has made Robertson and Caine world renowned with over 2000 catamarans launched since 1997. This Leopard 58 is well thought out, and expertly crafted and ready for private or charter use.
