Basic Information

Category: Trawler Yacht

Sub Category: Europa

Model Year: 2011

Year Built: 2010

Country: United States

Registration #: 1235472

Dimensions

LOA: 41' 4" (12.60m)

Beam: 15' 8" (4.78m)

Max Draft: 3' 9" (1.14m)

Speed, Capacities and Weight

Water Capacity: 195 Gallons

Holding Tank: 51 Gallons

Fuel Capacity: 500 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSB 5.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Electronics

FLYBRIDGE HELM:• Garmin MAP 7215 GPS• Garmin GMI 10 depth or choice• Garmin GMI 10 wind or choice• Cummins Vessel View, fuel level displayed on Vessel View, and calibrates range based on current fuel burn• Zeus Precision Pilothouse autopilot• Zeus Sky Hook, allows boat to remain in place with a 10' variance• ICOM Marine IC-M504 VHF with remote mic• Ritchie compass• Fireboy engine room fire suppression system control• Single lever throttle / gear electronic controls

LOWER HELM:• Garmin MAP 7215 GPS• Garmin GMI 10 depth or choice• Garmin GMI 10 wind or choice• Cummins Vessel View, fuel level displayed on Vessel View, and calibrates range based on current fuel burn• Zeus Precision Pilothouse autopilot• Zeus Sky Hook, allows boat to remain in place with a 10' variance• ICOM Marine IC-M504 VHF with remote mic• Ritchie compass• Fireboy engine room fire suppression system control• Single lever throttle / gear electronic controls• Smart Switch that scrolls through fuel and water tank levels

Construction

Grand Banks continues the same time-honored tradition of boat building that has built its iconic name brand, for the past 61 years. • Boot stripe, painted Awl-Grip• Epoxy barrier undercoat• Keel, extends below running gear• Gel-coated fiberglass exterior• Gel-coated fiberglass w/cross-linked PVC foam core for deckhouse and bridge• Hull liner and structural grid system finished gelcoat• Molded quarter guard with stainless steel rub rail• VIP fiberglass Hull, Deck and Flybridge, with Vinylester resin

Engine and Mechanical Equipment

Spirit has had extremely good mechanical care since new. Her Zeus pod drives enable even novice boaters to look like experts while docking. The optional Sky Hook feature holds the boat in place (within 10') without an anchor while waiting for a bridge to open or gives one enough time to put lines out before coming into a marina if single handing. She offers the following standard and optional features. • Twin Cummins QSB 5.9 @ 425hp each, with Zeus drives• Ball valve on thru hulls above waterline, Chrome Bronze• Drip pans under engines• Engine controls, Cummins electric control system• Engine raw water intake strainers• Engine room sound insulation with vinyl loaded barrier film• Exhaust system, underwater outlet, custom outlet cowling and idle bypass muffler• Fire extinguisher, with engine, generator, blower shut down and override control• Fresh water outlet in engine room• Fresh water tank, Rotomolded plastic, with level indicators• Fuel Filters, Racor water separators on each engine (duplex) and generator (single)• Fuel tanks, Rotomolded plastic, with remote level indicators• Oil change system, portable, with quick disconnect fittings• Propellers, counter rotating, stainless steel (included in Zeus)• Sole, engine room, molded FRP in non-skid pattern• Steering, electric/hydraulic (integral with Zeus)• Water heater, AC

Electrical Equipment

Spirit has world class Grand Banks wiring that is reliable and easily traced if an issue arises. There are full electrical schematics (for this boat) that pass to the new owner. This saves a tremendous amount of guesswork if a problem occurs.

- AC/DC panel with teak wood doors easily accessible in salon, aft bulkhead on Port
- Air horn, electric
- Air-conditioning compressors remote mounted in engine room
- Alarm and indicator panel, each station
- Batteries, AGM, with boxes, lids and straps, 2x8D engine starting, 3x8D house, 1x2D generator starting (new)
- Battery condition indicator
- Battery disconnect remote relay system
- Battery switch, emergency paralleling
- Bilge pump, emergency, DC (1)
- Bilge pumps, automatic, DC (3)
- Carbon monoxide detector in sleeping areas and salon
- E-Plex LCD touch screen electrical system control
- Engine room blowers, DC
- Engine room lights, DC, LED
- Engine start/stop, two stations, emergency stop in engine room
- Entertainment system, Pioneer stereo
- Fresh water system, pressurized, DC
- Galvanic isolator
- Generator, Onan with sound shield, 9kW e-QD Series, 1201 hrs.
- Inverter, Mastervolt Mass 12V or 24V/2000W-100, with remote panel
- Outlets throughout, with GFCI protection
- Outlets, DC, at flybridge, galley and utility room
- Running/Navigation lights, LED
- Shore power inlet, aft, 50-amp
- Spreader light, FB
- TV prep, pre-wire satellite TV (salon and master stateroom)
- Windshield wipers, DC with E-Plex speed control, auto park and freshwater wash
- Wiring, marine-grade tin-plated copper
- USB charger, FB helm

Exterior Equipment

Spirit has teak decking on aft deck only. It's covered by the extended flybridge hardtop and is in excellent condition. Side and fore decks are painted with Awlgrip non-skid in "Moon Dust", the traditional GB color. If you drop something on the non-teak deck, it is easily repaired and can be renewed.

- Anchor chain locker, self-draining
- Anchor platform, stainless steel, double stainless-steel rollers
- Anchor, stainless steel Ultra, plow, with 250' all chain rode
- Bulwark caps, teak
- Chocks, stainless steel with top loading line access
- Deck Fills: diesel fuel (raised off the deck with overflow safeguards), water and waste pump out
- Engine room vents, self-draining, with circulation fans
- Flagpole with holders, bow and stern
- Foredeck lockers, port and starboard
- Foredeck seat, molded with matching color cushion
- Grab rails, stainless steel
- Mast, aluminum, hinged
- Mooring cleats, stainless steel
- Navigation light boards, teak
- Rail gates at port, starboard and aft
- Safety rails, stainless steel w/intermediate tube
- Step plates at rail gate openings
- Teak Pennant staff at bow
- Teak Flag mast at stern
- Vents, utility room, natural
- Windlass, horizontal, chain rode, DC with remote, dual anchor ability
- Windows, tempered glass, fritted, bonded, flush installation
- Windshield, center opening with stainless steel frame, tempered glass
- Windshield canvas covers

Cockpit / Aft Deck

The aft deck on Idle Hour is large and spacious. There is plenty of room for chairs and tables. Easy flybridge access is done by stairs where you can face forward as you come down, with a

stainless-steel handrail. Also, very convenient for pets. • Courtesy lights, LED • Engine room access with pneumatic risers, very easy to open • Lockers, self-draining • Lockers, staircase with door • Stairs to flybridge with teak steps, no ladder! • Swim ladder, undermount stainless steel • Swim platform, teak • Transom door, hinged • Transom shower with retractable hose, hot/cold

Helm Area

The lower helm area is opposite the galley. A double wide helm seat is next to a helm side door that gives one immediate access to STBD side deck, if necessary. The helm door also has a Phantom sliding screen to give the boat additional ventilation. The center windshield also opens. There is a large built-in bar cabinet with icemaker behind helm seat. There are also (3) drawers to enhance galley storage, under helm seat. • Bench seat, starboard helm, double wide with footrest • Compass, 4" • Door, fiberglass/teak, starboard • Phantom sliding screen for helm side door • Electronics console, ultra-leather and teak • Steering wheel, stainless steel, teak rimmed • Boat outline that shows when bilge pumps and generator are operating • Bar cabinet • Ice-maker cabinet (U-Line) • Generator control panel for Onan generator • Exalto wiper/washer control

Flybridge

The 41 Europa flybridge is very large for a boat this size. That is due primarily, to the wide beam this boat has. There is seating for 10 including large settees and (2) upgraded STIDD helm seats. There is also a cabinet with vented doors for refrigeration. • BBQ, gas • Bimini top with full enclosures • Canvas covers for STIDD helm chairs, table, and settees • Chart lockers, port and starboard • Compass with light, 4" • Courtesy lights, LED • Dinghy davit, Steelhead with remote control • Electronics console, molded fiberglass with high gloss teak shade • Fabrics for seat cushions, vinyl • (2) Helm seats, upgraded STIDDS, fully adjustable and swing aft offering additional FB seating • Locker for under console, storage • Locker, (2), on helm, port and STBD with lift-up lids • Locker cabinet, fiberglass molded with vents, starboard aft for refrigeration or icemaker • Settees (2), molded fiberglass with ample storage under • Steering wheel, stainless steel • Table, teak with stainless steel pedestal • Tender, AB RIB with 15 HP electric start Honda outboard, 4 cycle • Windshield, tinted Perspex with stainless steel mounting brackets • Drink holders, stored separate when not in use • Awlgrip "Moondust" painted deck • USB charger • 110 V outlet • Spreader light, LED

Salon

The Salon has 360-degree views with large windows, while seated. The aft Salon door has glass embedded both on the top and bottom. Newly done settee upholstery, gives one a neutral palette. The air-conditioning is delivered through an overhead valance system that evening distributes the cool air through the salon, galley, and helm area. • Door, sliding, aft (fiberglass/teak/glass) • Ottoman footrest stored in teak cabinet, Port aft • Reading lamps, chrome-plated • Settee, L-shaped with storage • Settee, straight with storage, converts to double berth with

additional cushions (also reupholstered)• Table, teak with fold-out leaf• Teak and holly sole• Teak end-table, STBD FWD• TV (Samsung) mounted on bracket and swings out• TV, Apple• Satellite TV System, Intellian 14• Stereo, Bose Surround Sound System with remote control• Bluetooth System• Drapes, lined for privacy• Phantom retractable sliding screen across aft salon door

Galley

The GB 41 EU galley is much larger than most boats this same size. There is plenty of waist high counter space with cabinet reach-in shelved storage. There is also a stainless-steel pull-out pantry system that fits into the aft outboard corner. • Countertop, Corian, with backsplash guard and varnished teak fiddles• Cutlery and utensil storage lockers with knife block• Electric glass cooktop and microwave/convection oven for 110/220V• Exhaust blower• Faucet, single lever, pull-out head with hose• Icemaker in cabinet behind helm seat (U-Line)• Locker, corner storage• Locker, top loading storage• Refrigerator/freezer, front opening• Sink, stainless steel single bowl• Stainless steel pull-out storage system that functions as a pantry with a two-part opening• Trash storage, built-in

Utility Room

The "Utility" room is located under the galley, helm and part of the salon, soles. It is large with a removable slanted ladder for easy access. There is abundant shelved storage, a washer/dryer, chest freezer, battery access and fuel tank sight level. • Freezer, chest style• Lockers, storage under stringers• Sole, gelcoat with non-skid finish• Staircase, removable stainless steel, can be attached either forward or aft• Tank gauges with level indicators• Walls, Formica• Workbench• Batteries and battery disconnect switches

Master Stateroom

The forward master stateroom offers an Island berth with drawer storage under. There is a cedar lined hanging locker on STBD and shelved storage locker on port. • Berth, Island• Hanging locker, cedar-lined• Mattress, inner spring• Reading lights (2) swing-arm• Teak and holly sole• Lined drapes• ensuite head• Overhead large hatch with Oceanair shade and screen• Overhead halogen lights• (2) opening port windows with screens

Master Head / Shower

The master head is ensuite and accessible from the companionway as well. The beautiful teak cabinetry enhances its role to the eye.

- Countertop, Corian, with undermounted Corian sink
- Exhaust blower, DC
- Faucet, single lever
- Mirrors, (4) sliding teak framed panels that open to reveal storage and an opening port window
- Shower stall, separate with fiberglass shower pan and bi-fold door
- Shower with drain pump, DC
- Teak cabinetry
- Teak & Holly sole
- Toilet, Sealand Electric

Guest Stateroom

The guest stateroom offers two twin berths and hanging locker. There is added storage under each mattress. • Berth, split, foam mattress, with foam filler to make single berth • Hanging locker, cedar-lined • Reading lights (2) • Storage under berths • Overhead hatch with Oceanaire shade and screen • Teak and Holly soles • (2) opening port windows with lined drapes

Interior

• Bulkheads, Formica, teak • Cabin doors with lock sets • Cabinet furniture, teak faced • Curtains • Deck hatches with locking arms in forward cabins • Dimmers, E-Plex digital throughout • Drawers, teak faced • Grab rails, teak and stainless-steel fittings • Hardware, stainless steel and chrome • Headlining, tucked vinyl panels • Hull ceiling, teak • Indirect overhead lighting • Portholes, stainless steel and screens • Sole, teak and holly • Steps with rubber traction strips

Improvements

2016 • Garmin Wi-Fi Adapter • Apple TV 2017 • Cup Holders on STIDD Chairs • Intellian i4 HD Satellite System • LED Spreader Lights • Mercury Vessel View Mobile • USB Charging Port at Flybridge Helm Station • TV Audio connected to Bose Surround System • New LED Rope Lighting in Utility Room • New Fender Covers 2018 • New Upholstery in Salon • Sunbrella cap rails covers 2018 • New steering actuator, port 2018 • Replaced conv microwave with standard size Bosch Speed oven 2018 2019 • (2) 8D New engine start batteries 2019 • New steering actuator seals, starboard 2019 • New oil coolers port and starboard for transmissions 2019 • Added Isotherm fridge / freezer to flybridge console 2019 2020 • (3) 8D house batteries 2020 • New Bimini and flybridge side panels 2020 • Dinghy engine serviced 2020 – new carburetor,

transom fuel filter, and 12V batterySeahawk bottom paint every October
