DETAILED INFORMATION

LONG KEY FEATURES

Part of the Livingstone Explorer series from Hartman Yachts that range from 24m to 42m, LIVINGSTONE is the smallest out of her sister yachts yet still carries the features that make her a unique Explorer yacht with a stylish and distinctive character. Her design is inspired by a classic gentleman's yacht from the 1930s while it incorporates the latest innovations including Naiad Fin stabilisers and Simrad electronics. LIVINGSTONE's interior has a contemporary yet elegant feel to it. Natural wood, dark cabinetry and leather are all present throughout the yacht including in the four cabins. For an Explorer yacht of her size, LIVINGSTONE has considerable outdoor areas such as the main deck aft and sun deck, which can be used in a variety of ways. Complete with a substantial battery bank, LIVINGSTONE can run the air conditioning system overnight without the generator – an incredible energy saving feature.

Exclusions

Owner's personal belongings.
