## Overview

---

### 2005 Gemini 105MC

It's easy to see why Performance Cruising has had such a success with the Gemini 105MC. They are fun to sail, fit in a standard marina slip, economical with a single engine and maneuverable under power with the articulating Sillette drive.

The accommodations are spacious, light, and airy. The deck layout offers a stable, safe, and well-reasoned platform for whatever comes your way. The ingenuity of lifting centerboards and kick-up rudders will have you sailing through less than 2' of water.

**Blue Moon** clean and well maintained, however like almost all Gemini's she has developed gel coat cracks and crazing on areas of her deck and cockpit. They are cosmetic in nature.

She has had several recent upgrades.

- **Westerbeke 27HP Diesel with 1729 hours**
- **16,000 BTU Air Conditioning**
- **Lewmar Windlass (NEW 2019)**
- **Electric Jabsco Head (NEW 2019)**
- **Exterior Sunbrella Sail Cover and UV stripe for Genoa (NEW 2021)**
- **Sails removed and professionally cleaned (NEW 2021)**
- **New Canvas for Stern Hammock (NEW 2021)**
- **Standard 12V Bilge Pumps Installed to Replace Complicated OEM System (NEW 2019)**
- **12V/ 110v Refrigeration- No reliance on LPG for Cold Drinks and Food Storage! (NEW 2019)**
- **Raymarine Autopilot, Wind, Depth, Speed, VHF**
- **Garmin 440 Chartplotter**
