# ХАРАКТЕРИСТИКИ

## Основная информация

Тип судна: Крейсерская яхта

Модельный год: 2001

Год постройки: 2001

Страна: United States

## Размеры

Длина общая: 44' 7" (13.59m)

Длина по ватерлинии: 37' 4" (11.38m)

Длина палубы: 42' 0" (12.80m)

Ширина: 14' 3" (4.34m)

Макс. осадка: 5' 0" (1.52m)

Трапы: 58' 10" (17.93m)

## Скорость, вместимость и масса

Водоизмещение: 30000 Pounds

Вместимость воды: 250 Gallons

Вместимость сточного бака: 60 Gallons

Объем топливного бака: 160 Gallons

## Размещение

Всего кают: 3

Всего коек: 4

Всего ком. состава: 2

## Корпус и палуба

Материал корпуса: Fiberglass

Отделка корпуса: Aluminum

## Информация о двигателе

---

**Двигатели:** 1

**Производитель:** Yanmar

**Модель:** 4JH3TE

**Тип двигателя:** Inboard

# ПОДРОБНОЕ ОПИСАНИЕ

---

## Description

---

STILL WATERS is a beautiful, one-owner example of the Island Packet 420, sporting new Tanbark sails along with updated electronics, a long list of material upgrades, and detailed service records. This IP420 has been loved and well cared for but the owners no longer have time to fully enjoy her. Take advantage of this opportunity to become just the second owner of this very popular Island Packet model.

## Overview

---

### SAILS, RIGGING AND DECK

- Quantum Tanbark sails: jib, staysail and mainsail (new 2018)
- Running Rigging (new 2016-2018)

- Barometer and Ship's Clock
- Samsung TV w/DVD player on main bulkhead
- Glebe Creek screens on overhead hatches
- Ship Shades on all portlights
- Fenders, docklines
- Extensive maintenance logs/ spare parts inventory

**VESSEL WALKTHROUGH** Island Packet Yachts have long been noted for their exceptionally livable designs. There is an abundant amount of interior stowage available in the salon, as elsewhere in the yacht, due in large part to the generous tankage being centrally located below the cabin sole. This feature also keeps these considerable weights low and close to the center of the yacht to maximize stability and minimize trim changes. All sole surfaces in the galley, companionway, and navigation areas are molded in a slip-resistant diamond pattern for improved safety and ease of maintenance in these frequently used areas. Beautiful handcrafted and custom cabinetry and joinery work is found throughout the yacht. Comfortable, thick cushions with designer fabric on the bunks, with upgraded UltraLeather in the main saloon, well placed light fixtures and handrails, numerous opening ports, dorade deck vents and hatches, and a durable and easily maintained overhead and hull surfaces make the salon and the entire interior attractive, comfortable and practical.

**MASTER STATEROOM:** The owner's suite is forward and is a true delight with the entire beam of the yacht utilized for a grand and inviting retreat. There is a large island berth which is offset from the hull providing easy access from both sides. The aft section of the berth-top, mounted on gas support struts, lifts to reveal a large storage area ideal for those bulky items like blankets. Drawers, cabinets, storage bins and a deep hanging locker provide ample space for personal gear. A seat to port adds further convenience. Two overhead hatches, a dorade vent and several opening ports will keep this area bright and well ventilated. Overhead padeyes and hooks on the bulkhead provide convenient spots for hanging fishing poles and longer clothing items.

**MASTER HEAD:** Forward is a private ensuite head with a large separate stall shower. The shower area is fitted with a folding acrylic door and built-in seat. In the head there is a deep S/S sink with vanity, marine toilet, several lockers and drawers and excellent ventilation with an overhead hatch and opening portlights. VacuFlush fresh water flush toilet (rebuilt 2019)

**SALON:** As you can see in the pictures, the salon is a warm and inviting area to lounge or entertain. With the custom upholstery, warm furniture and attention to detail you will want to spend a lot of time aboard. The hinged table is secured out of the way against the bulkhead. Behind this is a very nice bottle and glass rack. The table is easily lowered to make either a small or a large dining area. When the table is fully opened this also provides a great project area. If you wish to have additional friends or family stay aboard, the starboard settee pulls out to provide a double berth. Behind and under both settees are an immense amount of

storage areas. The NAV AREA is just forward of the galley and has a full-size navigation table with a customized nav seat that swings out electronically. There is a storage tray under the hinged tabletop, a locker under, another locker outboard of the table, and a chart drawer under the settee immediately forward of the nav area. The master electrical distribution panels are recessed, yet still easily accessible.

- Raymarine ES97 MFD w/Navionics charts, Quantum Q24 radar (new 2016)
- ICOM GX2150 Matrix VHF with AIS

The GALLEY is conveniently located at the base of the companionway on the starboard side. Ideal for the cruising sailor is its practical U-shaped design and its many features such as: generous counter space, cutlery drawers, pot and pan bin, large dry storage locker, and counter top cabinets, several deep storage drawers and a pull-out trash receptacle. There is also a well insulated divided refrigerator/freezer with lots of room for additional food for those longer trips. The slip resistant molded sole provides secure footing and easy maintenance - a great feature in the galley.

- Grunnert Dual Cabinet refrigeration/freezer system, Top loading, injected froth type insulation throughout, insulated divider, electric drain pump, inside light with manual switch, hinged, double gasketed lid w/support strut.
- Microwave Oven 110 volt
- Large wrap-around design w/sea rails on all edges
- Gimballed 3-burner Force 10 LPG stove w/oven -stainless steel deluxe safety type, sealed burner top, lift off cover w/storage rack below, stainless steel guard rail w/harness hooks (new 2017).
- Double stainless steel sink with deluxe polished finish, hot & cold pressure water tap, manual pump, retractable spray unit
- Roll-away trash bin, teak paper towel holder, soap rack
- Deluxe teak dish rack & cutlery drawers
- Large storage areas above & below counter, storage drawer, cabinet, dry storage locker
- Cockpit instrument access cabinet

AFT CABIN: Features a very large Pullman-style athwartship berth, a large cedar-lined hanging locker and a generous bureau with several compartments. Two opening ports and an overhead hatch bathe the area in natural light and provide excellent ventilation. AFT HEAD: Entered from either the main salon or through a private door in the aft cabin, the aft head, with its folding teak shower seat, wraparound vanity, oval polished sink, teak framed mirror, and bulkhead mounted shower unit with a pull around curtain provide particularly nice facilities for guests and crew. Shower drains in both heads have an electric drain pump. VacuFlush fresh water flush toilet (rebuilt 2019) ADDITIONAL FEATURES:

- 26,000 total BTU's of Marine Air air conditioning and reverse cycle heat
- Ship Shades on all portlights
- Barometer and Ship's Clock
