SPECIFICATIONS

Overview

Simon George was cruised mainly on the ICW from the Chesapeake to Florida by her current owner (the third), fulfilling her dream to live on a boat. But with her previous owners, she was a Great Loop veteran! She has a roomy cockpit for easy boarding and line handling, without sacrificing the ever popular "back porch" aft deck, and easy steps up to the flybridge. Inside, the ample living area is complemented by a third sleeping cabin makes for abundant storage if not used for sleeping. She has a generous galley and booth-style dinette, for a great place for meals or computer work. The owner's cabin, aft, has a clever vanity sink outside the wet areas and split shower/potty, plus loads of storage. She has been recently buffed/waxed and serviced so the next owners can take off on a great adventure of their own, on the Great Loop or beyond!
