Fuel Type: Gas

DETAILED INFORMATION

Description

This is such a nice boat. Upon entrance, you will think that you are looking at a brand new boat. She only has 120 hours on the triple Yamaha 300's & joystick control, 50 on the generator and basically unused. No smudges on the seats, microwave never used, bed never slept on, this boat is sweet. Sleeps 4, good size head, workable galley, plenty of sitting space. Great family cruiser with motorized Canvas-Shade retractable extension.. Check the videos of a walk-through of the boat and the 2nd one when we took her out at about 40 knots. Everglades' cabin models offer lavish functionality unmatched by any other manufacturer in the industry. The fully equipped vessels will satisfy even the most serious boater while simultaneously maintaining every comfort of a home! Play all day and relax all night - you won't need to head back to shore any time soon. "Luxury is not an option" Yes, that is their motto and this is the newest & official luxury cruising model of the Everglades brand. With a forward full berth and another sleeping area (for two) aft, this is a great family boat that is barely broken in and ready to go. Everybody is always looking for a brand new boat that somebody else took the initial "financial hit" on. WELL, THIS IS IT!!! If you are looking for a new luxurious boat with 100 square feet of lounging area with seating for an army throughout the boat forward and aft, glorious interior features and a ride that is unmatched...this is the boat and the deal for anyone seriously looking. So all I can say at this time is to STOP LOOKING! And give me a call ASAP! These great deals DO NOT come around that often. If you have been looking, then you know.

Overview

Main Description

While the 360LXC is more passenger-focused than some of our other models, the features you've come to love from the Everglades brand are evident at first glance -- the signature Everglades silhouette and the superior ride of our patented RAMCAP hull. In the creation of the 36-foot overnighter, we honed in on extravagance and relaxation, while maintaining our signature fit and finish. Your guests will be more than comfortable in the spacious 100-square-foot lounging area, featuring an L-shaped lounge that serves as a dining area or sun-bed. The 360LXC comes standard with a 32-inch retractable flatscreen in the lounge area, an electric stovetop and outdoor cockpit cooking area, abundant food and cooler storage, and a fully equipped wet-bar and mixing station. Its massive aft bench seat comfortably seats six while the redesigned helm featuring ergonomic captain and companion seating has plenty of room for three. The boat easily sleeps five to six passengers. Both the cabin and the cockpit-lounge area are independently temperature controlled to keep you comfortable in any weather conditions.

Electronics

* Optimus Power Steering & Joystick Control* Garmin GPSMAP 7616XSV Dual Display* Garmin Chirp Transducers* GMR 624xHD2 Marine Radar* GHP Reactor Autopilot

Additionally

New Polycarbonate wrap around glass w/ vents...no more wind in your face while cruising at 38 mph. Newly configured helm area with flush mounted electronics like 435cc. New wet bar aft helm seats with Corian countertop, integrated stove top, (2) two refrigerators, as well as sink and bottle storage. Plenty of storage beneath for day boating fun. Curved portside hide-away flat screen 42" TV pops up for easy viewing from helm and curved settee. Additional sink, Corian countertop and Ice maker to starboard side of helm. A major innovation is the addition of a HUGE wrap around seating area replacing the fish box and bait well which allows for tons of space. Kick back and relax. New open weave vinyl carpeting makes for a very tactile experience while allowing water to drain thru. Very rich and warm look. Air conditioned helm and forward seating area. 7KW Kohler generator (54 hours) to power all the toys.

Exclusions

Owner's personal belongings.
