SPECIFICATIONS

Basic Information

Category: Cruising Yacht

Model Year: 1995

Year Built: 1995

Country: United States

Dimensions

LOA: 41' 6" (12.65m)

Beam: 12' 11" (3.94m)

Max Draft: 5' 0" (1.52m)

Speed, Capacities and Weight

Displacement: 22800 Pounds

Water Capacity: 170 Gallons

Holding Tank: 30 Gallons

Fuel Capacity: 90 Gallons

Accommodations

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yanmar

Model: 4JH2E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Breathless is a beautiful example of one of Island Packet's most loved cruising designs. With her beautiful blue hull and "oyster" canvas, she is striking. She is set up for cruising and has the following of note: Kato Arch Swim Platform New Canvas Reverse Cycle Heat and Air Wind Generator Solar Panels New Standing Rigging in 2018 Harken Battcar System Much more..... Breathless is a beautiful girl but, will need some new hoses before any serious use. The owner is moving out of the area and has priced her accordingly to reflect that needed work.

Overview

Accommodations The Island Packet 40 has one of the nicest interiors designed to date. The forward cabin is the owner's cabin and has a large pullman style berth to starboard with a bank of drawers underneath. There are shelves and storage compartments to port. The private head is forward, in the bow. The main saloon is large and bright with bulkhead mounted table, facing settees and aft facing nav station. Breathless has had additional woodworking and custom mounts for electronics. The aft cabin is to the port of the companionway and is well ventilated and roomy. The guest head, which is forward of the aft cabin, is accessed from either the aft cabin or saloon. The galley, located to starboard of the companionway, offers plenty of storage and counter-space for the cook. This is a great passage-making layout. Upon descending the companionway steps you can have direct access to the galley, head, nav station and aft cabin. It's all right there.

- Reverse cycle heat and air
- IP Cushions throughout (saloon and both mattresses; color "wheat" new in 2004)
- IP carpets in both cabins and saloon (2004)
- Ship Shades at all ports
