DETAILED INFORMATION

Manufacturer Provided Description

The 88 Yacht has impressive, new to the brand, exterior lines and a sleek hardtop roof with an optional central opening canopy. Powered by twin MTU 10V 2000s as standard, she accommodates eight guests and four crew in complete luxury and comfort reaching speeds of up to 28 knots. The 88 Yacht features Sunseeker's industry-leading 'Beach Club' accessed by dual teak staircases featuring recessed LED lighting. The 'Beach Club' transforms the area into a private outdoor sanctuary complete with an innovative X-TEND™ sunbed that converts to face aft at water level or when raised forward into the cockpit. Set beneath is an overhead rain shower and plentiful stowage, including dedicated lockers for two SeaBobs with charging points. The extended bathing platform is perfect for carrying a tender with an optional flybridge crane for a jet ski or similar. The vast flybridge on the 88 Yacht enjoys a superb layout with beautifully appointed furniture on a spacious aft deck and the option of an infinity spa bath with a sun pad. It's a brilliant space for entertaining with ample places to sit and relax thanks to companion seating adjacent to the helm and extended U-shaped seating opposite a feature wet bar with ice maker, grill and two fridges or optional drawer-refrigeration. There is also the option for fixed stools to turn this into a social bar area. The teak foredeck features another private, social space with a large sunbathing area and comfortable lounge seating complemented by premium teak side decks as standard. The main deck is nothing short of spectacular. Inside, there is a large forward galley that maximises an open-plan entertainment space. Owners and crew can enjoy making use of ample practical storage space, as well as a dedicated fixed breakfast bar unit with two stools, creating an additional informal dining area. The galley has a full-height premium fridge freezer and dishwasher as standard with space for wine coolers. There is also the ability to fully close off the galley, allowing the crew to move around the yacht unnoticed with access from the lower helm on the starboard side that gives owners the chance to enjoy complete privacy. The interior exudes luxury and has clever design cues throughout that make the yacht stand out, including diagonal stainless detailing on cabinetry and doors. The layering of textural elements and the mix of furnishings and fabrics feels timeless with a modern twist with a range of colours and finishes available. Sunseeker has located the grand master stateroom central to the yacht, making the most of her substantial beam to maximise this private space. The master stateroom, with its 55" TV as standard, enjoys a spacious dressing area with a double wardrobe and adjacent in the en suite featuring exquisite surfaces throughout are double sinks, an overhead rain shower and plentiful stowage.

Exclusions

Owner's personal belongings.
