SPECIFICATIONS

Overview

****Preliminary listing**** Photos and more details coming soon!

Saphia is the finest example of Italian styling and performance. She's powered by MTU 10v 2000s with 1600hp. She has a cruise speed of 36 knots with top speeds upwards of 45 knots.

Saphia is a three stateroom/three head layout. The full-beam master is amidship and features a centerline queen birth. To port is lounge-style seating with a wardrobe locker just forward. Adjacent to starboard is storage and a popup vanity.

The VIP Stateroom has an island queen birth with an ensuite. The second guest stateroom has two single berths with a jack and jill that acts as the day head.

Her main salon is flooded with natural lighting with large windows to starboard and port. Just above the helm is a large retractable sunroof. Aft is a sliding door and window that drops hydraulically, allowing the interior and exterior space to become one. A U-shape sectional is to starboard that wraps around an expandable hi-low table. Adjacent to port is a long cabinet that houses her entertainment center and a mini-fridge. Continuing forward to port is an L-shape lounge-style seating area, with an icemaker below.

The Cockpit features a large L-shape alfresco dinette to starboard. Adjacent to port is a grill and wet bar. Below the dinette seating is access to the crew quarters. Centerline aft is a large sun pad with room for three.

Notable Features:

- Bow & Stern Thruster
- Yacht Controller
- Underwater Lights
- Tender Garage
- Water Maker
