## Main Description

---

The Cruisers 3750 is one of the most popular aft-cabin motor yachts under 40'. Memory Maker II has been very well cared for. The engine room is Very Clean and engines were tuned and new manifolds and risers were installed in 2020. The interior and exterior upholstery and carpets are in great shape. This vessel is perfect for cruising the bay with friends or family as the current owners have done. Memory Maker has been cleaned, cleared out and is ready to show. ## Accommodations

---

### Vessel Walk-through

On Memory Maker II the accommodations begin with the aft sundeck. Just 4 steps up the stairs from the wide swim-platform, with hot/cold shower. The spacious, carpeted, sundeck has a wet-bar, refrigerator with icemaker, a sink in the counter and there is room for 4 chairs. The sundeck is protected from the elements with a full canvas enclosure and polycarbonate wing doors. The Flybridge is up 3 steps from the sundeck and has seating for four on a u-shaped settee in addition to the helm seat. The helm is nicely laid out with easy access to all controls and exterior breakers. There is plenty of head-room and good visibility Forward, side to side and aft, which is further enhanced by rear facing camera.

Going forward from the sundeck, through the wing doors, the decks are a little narrow, as expected for a vessel this size, but easy to navigate with good hand holds and tall railings. The fore deck is open and clear, great for sun-bathing. there is plenty of space to operate the windlass and handle the anchor.

Down 3 stairs to the salon, among panoramic view, there is an L-shaped sofa/bed to port. Nice vinyl flooring and an entertainment center to starboard. Forward of the salon the galley and dinette are open to the salon creating a spacious area for entertaining guests. The dinette is comfortable for 4 adults. The upholstery is in excellent condition. The galley has ample counter space, built in microwave and coffee-maker, a large round basin with hot and cold water and an apartment sized refrigerator/freezer.

The guest head, forward to port, has a Vacu-flush head, a small basin with faucet/showerhead on a small counter. It is clean and easy to keep clean.

The forward cabin has a full size bed with drawers under, a hanging locker, television and opening ports and hatch for ventilation.

The master cabin is aft under the sundeck and has an athwartships full size bed, a chest of drawers, 2 opening ports and a hatch for ventilation. The master cabin has a warm inviting feel with louvered blinds nice upholstery, vinyl flooring and a touch of teak trim. The ensweet head is large with a bath tub and shower forward counter with basin center and Vacu-Flush head aft.
