Overview

Deck neat and soft lines contrast with the unmistakable Absolute diamond spearhead to convey the idea of elegance. As well as refined materials combinations used for the interior, for the construction of furniture, natural wood exposition, leathers, chrome plating and crystals. The space partition in the lower deck is elegant and harmonic. The four cabins welcome the ship owner and his guests, offering them comfort, privacy and refreshment. Absolute S.p.A. continues its development and overcomes itself to the point to deal with no awe with shipyard existing for a long time in the nautical market. Innovation, dynamism and the constancy of this Italian shipyard have allowed the creation of a luxurious and high quality range of boats, which has thirteen models. In July 2012, the shipyard presented its new creation: this is a flybridge boat over 70 feet. The project is entirely original: although previous experience is always the seed from which sprout new ideas, the 72 feet is built with hull, deck, superstructure and interior totally new. Building on the success of the Absolute 70 STY, the company of Piacenza city, entered a new universe, with the determination of becoming internationally prominent. The new flagship Absolute 72 FLY pays tribute to the quality and elegance of the Made in Italy, and presents itself as the new benchmark for the entire category. With the launch of the 72 feet, Absolute not only expands the fly range: with this project, entirely result of the Absolute D&R Lab, Absolute strengthens its ongoing process of renewal as nautical shipyard more active and innovative in the entire international scene.
