## Overview

### SUCCESS, BEYOND THE MOST AMBITIOUS GOALS

The Absolute 50 Flybridge is truly the ‘Absolute Achievement’ thanks to an excellent balance of size and functionality that nurtures the comfort of your guests. Dynamic and innovative, this yacht decidedly captivates your senses through elegant color combinations, fine materials, and exquisite finishing touches.

The exterior lines highlight the wide, uninterrupted windows created from Absolute’s inventive reduction in the typical pillars. This has equally benefited the lower deck cabin windows which are similarly without obstruction.

Opportunities for relaxation outdoors are abundant, highlighted by the comfortable and versatile aft cockpit that is directly connected to the galley. The sofa is easily converted into a large sunpad for soaking in the warm sunshine. The flybridge area, among the largest space for yachts in this class, offers a large table surrounded by a sofa. In addition, it also features a full galley space, a helm with double seating, and another comfortable sun lounger.

The third sunbathing area is located at the bow, easily accessible through a pleasant and well-protected walkway.
