This sleek design is widely acclaimed as a high-performance yacht akin to a six-star luxury resort and her design flexibility is further evidence of Riviera's commitment to catering to an extremely wide range of boating pursuits.

Supremely comfortable, the 6000 Sport Yacht features an innovative alfresco lifestyle design, ultramodern technology and palatial appointments. Her level of attention to detail from bow to stern confirms that she is indeed a world-class Riviera.

Of course the awe-inspiring aesthetic appeal of the 6000 Sport Yacht, with her sleek lines and contemporary hull windows and portholes, is just the beginning.

Our talented team of designers, engineers and master craftsmen have really captured an enriched sense of light, space and liveability from bow to stern.

Large fixed skylights and two electric sliding sunroofs are built into the curvaceous fibreglass hardtop, enhancing natural light and ventilation throughout the entirety of the 6000 Sport Yacht – from the expansive cockpit to the luxuriously furnished saloon and through to the generous-sized staterooms on the accommodation deck.
