## Accommodations

The Sea Ray 330 Sundancer Express Cruiser is a great family and friends sport cruiser. This particular 1996 model is a lightly used and well equipped version. From the wrap around cockpit seating to the large and functional swim platform to the extended sun foredeck, this boat is pure fun. With the twin Mercruiser 7.4L V-drives, full speed could be about 30 knots. Westerbeke generator and MarineAire AC make it enjoyable year round. Forward is a full forepeak berth with opening hatch. The galley is to port with a raised salon table (which also converts to a berth) to starboard. The enclosed head/shower combination is port of the companionway and includes a vacuum flush system. Another berth is aft. Storage drawers, lockers and cubbies abound throughout the cabin and yet the conveniences are easily utilized. The entire cabin is heated and cooled by a Marine Aire 12000 btu reverse cycle system.
