SPECIFICATIONS

Overview

If you are in the market for a motor yacht in this size and age range, this one should be at the top of your list. The seller has decided to move up to a larger boat, and therefore is parting ways with this professionally maintained Princess, rendering her yours for the taking. This Princess will not disappoint. A fresh water boat for much of her life, the care and limited use sure shows.

You will love how practical the layout is on this boat. With two options for accessing the flybridge, the aft deck and interior staircase, this is truly an entertainers yacht. There is room for twenty comfortably on her flybridge, along with a MarQuipt crane for hoisting a tender or jet ski. This 67' Princess offers a rare, factory fiberglass hard top, with an electronics mast. Comfortable wide side decks lead to the foredeck which offers a sun lounge, and stainless ground tackle. There is a watertight door on the starboard side allowing easy access from the lower helm to the side decks. Her expansive aft deck offers like new teak decks, renewed upholstery, and space for an alfresco dining table. Inside her expansive volume continues with a generous saloon, galley, and lower helm station on the main deck. Below deck there are three well appointed guest cabins, all offering their own private ensuite. The master cabin is full beam, and is truly an oasis fit for royalty, with large vertical windows on either side of a king size walk around bed, and a massive wash room.

This boat has experienced light use. Most of her hours were accumulated while relocating the boat from Florida to the Great Lakes twice. There is time left this year to take delivery prior to her prepaid haul out and indoor storage for winter.
