## Overview

---

A very special offering, built by one of the legends of Carolina Sportfishing, this beauty has the classic retro looks combined with the restyled bridge deck and cabin of a current model vessel. When this refit was started, the boat had already been repowered having a pair of 370hp Cummins 6BTA 5.9 diesels installed in 2006. The boat was stripped down to the bare hull except for the engines, tanks, and teak cockpit. Being an in-house project of a well known Stuart, FL boatyard, she went through 20 months of rebuilding and the final result is impressive. This is a boat that is a pleasure to view and she looks great - fishes like a dream.

## Basic Information

---

**Category:** Sport Fisherman

**Model Year:** 2015

**Year Built:** 1964

**Refit Type:** SEE OVERVIEW
