## Overview

---

"Kangaroo IV" is the ultimate racer/cruiser, elegantly engineered and hand crafted in the Maine tradition from Sabre Yachts. Open airy interior with select-varnished teak woodwork and stainless portholes give her the warmth and richness found on higher priced custom yachts. Sail handling is fun and effortless with large primaries winches and reef/halyards led aft to the cockpit. The headroom in the forward cabin is excellent and the large hatch, portholes and skylight add to the open feel of this stateroom. The salon is thoughtfully laid out including a fold up table, navigation table and large galley. The aft cabin has a large double berth. There is a huge head, with separate shower aft. The design team at Sabre has done a spectacular job with the 425, providing more room than the Sabre 42, throughout the interior and staterooms, along with a perfect blend of classic elegance and performance. Equipped for offshore or coastal cruising and/or racing.
