SPECIFICATIONS

Overview

The Clyde 20 ton class was originally commissioned by the Clyde Corinthian Sailing Club, to a design by the great Alfred Mylne (Kelpie, Atlantide, Thendara, The Blue Peter, Albyn). Of the five built, only Tigris survives, and they were known for their outstanding seaworthiness, with a good turn of speed in a stiff breeze. (Tigris won her class at St Tropez in 2013) Now for sale in the first time in many years, Tigris represents a great opportunity to purchase a vessel in near original configuration, in excellent condition, and capable of continuing the regatta-winning tradition for many generations to come
