## Overview

---

At the height of the Prowler's popularity, the list of Forest E. Johnson's friends, acquaintances, and clients included celebrities like Marilyn Monroe, Sam Snead, Don Aronow, Sam Griffith, Ernest Hemingway, and even the president of the United States, Richard Nixon, who once dialed up during a brief economic downturn to assure himself that his favorite boatbuilder was okay. This was the FIRST fiberglass 23' the legendary Forest E Johnson built, going from his favored fragrant cedar to smelly polyester, "In 1968, he did two fiberglass Prowler models," says Johnson Jr. "One was a 32-footer and the other a 23-foot runabout." She is an excellent 'RESTO-MOD' Classic, combining classic racing pedigree with all modern accoutrements. Mercruiser 502 MPI 415 HP Fuel Injected, Stainless Marine exhaust system, Bravo Outdrive, 3 blade stainless prop, Galvanized two axle boat trailer, Merc 280 Trim Tabs, Rear sunpad, front seat are also drop out bolsters, dual batteries with switch and built in battery charger, fresh water tank with shower unit, Garmin GPS Sounder with internally mounted transducer, Opening windshields left and right, Stainless tube oversized Bimini top, boat cover, all safety gear, LED nav lights.
