## Overview

---

Available for showing in Stuart, FL, this lightly used, (80 Hrs) 2013 Turbojet Williams Tender is a rocket ship on the water and tons of fun for cruising or even water skiing. This vessel has never been kept in the water and is meticulously captain maintained. We are selling her because of the owner's need for a larger tender. Manufacturer Provided Description: The Turbojet 445 shares many of the market leading features of the existing range but with increased capacity, more storage space and a host of innovative features and options. A new high torque jet pump and an expanded seating area enables the Turbojet 445 to carry six adults and one child in comfort. This increased thrust also delivers plenty of top end speed for waterskiing and fast coastal cruising, making the Turbojet 445 a truly versatile utility yacht tender.
