SPECIFICATIONS

Overview

This stunning custom runabout was completed in 2001 and has been under single ownership since new. Totally unique, one-off design; she was built for entertaining friends and cruising the fresh waters of Lake Muskoka in Canada.

Adequately powered with twin Mercruiser 350 engines. Vic Carpenter was renowned as a skilled craftsman and boat builder. This was the last boat completed before his passing. The boat has recently been reduced and is now priced very favorably for a twin engine boat of this size, quality & pedigree.
